# Inspiron Brand

---

From the moment you turn on your Inspiron, you're greeted and connected to a whole new world. Whether it's social media, streaming movies, or finishing your work, Inspiron delivers what matters most to you, in style.

The Inspiron range of laptops and 2-in-1s are thoughtfully designed so you can stay connected wherever you are, with long-lasting battery life, these chic, lightweight devices can seamlessly connect your PC and smartphone with Dell Mobile Connect's wireless integration.

Equipped with the latest processors, graphics, and thermal solutions; your PC runs quickly and smoothly as you connect with confidence, thanks to a range of display options that create a brilliant visual experience to help your loved ones feel even closer over video chats.

Optimized with technology that simplifies your life, Inspiron laptops and 2-in-1s offer a range of easy-to-use features all packaged in a minimalist and modern design, available in classic and expressive color options that add to your flair.

And if that's not all, your Inspiron, is now environmentally conscious – from packaging made of recycled packaging materials\* to use of low VOC waterborne paints\*\* – The Inspiron compliments not just your style but also your values.

<sup>3</sup> \*The packaging tray for all Inspiron laptops<sup>1</sup> are made from 100% recycled paper, while other packaging components<sup>2</sup> are comprised of up to 90% recycled materials. <sup>1</sup> Applies to all new product launches starting April 2021. <sup>2</sup> Excluding plastic bags, films or wraps, keyboard pad, handle, attached labels, and materials used to construct or close package.

\*\* 100% of your Inspiron laptop's painted parts use low VOC waterborne paint. Applies to all new product launches starting April 2021.

# Inspiron 14 2-in-1 Feature Overview

## Your world in any mode

### Get in touch with versatility

Get in touch with versatility with the new Inspiron 14 2-in-1 laptop. Designed to bring your world closer, it features your choice of the latest AMD or Intel® Core™ processors paired with Intel® Iris® Xe graphics or NVIDIA discrete graphics.

### Any way you choose

**Best of both worlds:** Whether you are typing a friend a quick message in laptop mode or checking out a how-to video in tent mode, the 360° hinge allows to seamless shift between 4 different modes, providing the flexibility to stay connected throughout.

**Recharge in a flash:** When you've been going all day on the extended battery life but need a quick charge, select between three different Express Charge™ options to reduce the time you spend tethered to a wall.

**Get up and go:** The thin design makes it easy to slide in and out of bags so you don't have to compromise function for portability while staying connected to your world.

# Inspiron 14 2-in-1 Feature Overview

## Your world in any mode

### Borderless views that go beyond

**Something to see:** Enjoy the virtually borderless view with thin bezels and an expansive screen-to-body ratio to minimize distractions for a better cinema, document and web browsing experience.

**Find your spot:** Feel free to move around, lean back, adjust positions and more with wide-viewing angle panels (WVA) without affecting your viewing experience of the FHD IPS touch screen.

### Adaptive and agile.

**Quick and responsive:** With unmatched speed and intelligence, you can create and connect like never before with a choice of the latest 11th Gen Intel® Core™ processors. Additionally, you can choose from Intel® Iris® Xe Graphics, NVIDIA® GeForce® MX350 Graphics options.

**Adapts to activity:** Whether you are getting work done at your desk or passing your laptop around to show friends your new favorite video, Adaptive Thermal Technology adjusts your performance profile so it generates less heat when mobile, and ramp itself up when stationary. (Available on Intel configs only)

**Ready when you are:** Pick up where you left off in a flash with Modern Standby. It will get you up and running quickly just by opening your 2-in-1.

# Inspiron 14 2-in-1 Feature Overview

## Your world in any mode

.....

Designed for your world.

**Optimized hinge:** An ergonomically positioned lift hinge increases comfort for a better typing experience when on chat, writing lengthy emails or connecting to your world.

**Keys to comfort:** Featuring a backlit keyboard, with enhancements that include a larger keyboard with 9% bigger keys\* than the previous generation for a more comfortable typing experience and a touchpad with new material that has a smooth, glass like feel.

**A well-rounded feel:** With the newly designed rounded edges, you can move around with ease while on the go.

**Privacy is paramount:** Rest assured that your privacy is secure with the mechanical privacy camera shutter. Also, the single sign on (SSO) fingerprint reader on the power button provides a more personal, more secure instant access login experience.

**Platinum finish:** The Platinum Silver finish with tonal color-blocking palm rest looks good in any mode and has sustainable waterborne paint, making it environmentally responsible.

## Your world in any mode

### Unite your devices with Dell Mobile Connect\*

- **Stay Focused & Connected:** Stay focused on tasks by interacting with your phone direct from your Dell PC— you can easily make calls, send texts, and get notifications.
- **Transfer Files Seamlessly:** Transfer files, photos, videos, music, and documents between your PC and phone without complicated cloud storage or cumbersome cables.  
\*iOS file transfer only for photos and videos
- **Mirror Device to PC:** Project your Android or iOS device screen onto your PC and interact with apps there.
- **Maintain your privacy:** Your phone connects to your PC via Dell Mobile Connect's point-to-point, secure connection so your data is never exposed via unsecure internet connections.

*\*Dell Mobile Connect is available on all new Bluetooth-enabled, Inspiron, Vostro, G-Series, Alienware and Consumer XPS devices with Windows 10. Dell Mobile Connect's smartphone Companion App must be downloaded from the App Store for your smartphone, and requires Android 6 (or above) or iOS 11 (or above). For iOS, file transfer capabilities are limited to photos and videos*

# Optional accessories

You can maximize the versatility and performance of your Inspiron 15 3000 with Dell recommended accessories to keep you entertained and connected in any room.

## **Dell 24 Monitor - S2421HS**

23.8" FHD monitor beautifully designed to sit easily into any space ready for your everyday lifestyle. Flexibility for all-day comfort with height adjustable stand, tilt, swivel & pivot features.

## **Dell Mobile Adapter Speakerphone -MH3021P**

World's first multiport adapter with integrated speakerphone offers an all-in-one connectivity and conferencing solution.\*

\*Based on Dell analysis, March 2020.

## **Dell USB-C Mobile Adapter - Slayer 3 MLK - DA310**

Small and portable 7-in-1 USB-C mobile adapter provides superb video and data connectivity and supports up to 90W power pass-through.

## **Dell Active Pen - PN350M**

Write naturally and smoothly right away without having to pair with your 2-in-1. When done writing, store the active pen securely in the magnetic hinge of the Inspiron 7590/7390 2-in-1 (black edition).

## **Dell Multi-Device Wireless Keyboard and Mouse Combo -KM7120W**

Designed to work seamlessly across 3 devices, this compact combo keeps your desk clutter-free and lets you stay productive with up to 36 months\* battery life.

## **Dell Pro Briefcase 14 - PO1420C**

The eco-friendly Dell Pro Briefcase 14 (PO1420C) protects your laptop from impact with shock-absorbing EVA foam encased in a durable water resistant outer skin.
