Inspiron Brand

From the moment you turn on your Inspiron, you're greeted and connected to a whole new world. Whether it's social media, streaming movies, or finishing your work, Inspiron delivers what matters most to you, in style.

The Inspiron range of laptops and 2-in-1s are thoughtfully designed so you can stay connected wherever you are, with long-lasting battery life, these chic, lightweight devices can seamlessly connect your PC and smartphone with Dell Mobile Connect's wireless integration.

Equipped with the latest processors, graphics, and thermal solutions; your PC runs quickly and smoothly as you connect with confidence, thanks to a range of display options that create a brilliant visual experience to help your loved ones feel even closer over video chats.

Optimized with technology that simplifies your life, Inspiron laptops and 2-in-1s offer a range of easy-to-use features all packaged in a minimalist and modern design, available in classic and expressive color options that add to your flair.

And if that's not all, your Inspiron, is now environmentally conscious – from packaging made of recycled packaging materials* to use of low VOC waterborne paints** – The Inspiron compliments not just your style but also your values.

³ *The packaging tray for all Inspiron laptops¹ are made from 100% recycled paper, while other packaging components² are comprised of up to 90% recycled materials. ¹ Applies to all new product launches starting April 2021. ² Excluding plastic bags, films or wraps, keyboard pad, handle, attached labels, and materials used to construct or close package.

** 100% of your Inspiron laptop's painted parts use low VOC waterborne paint. Applies to all new product launches starting April 2021.

Inspiron 15 3000

Feature Overview

Designed for today. Inspired by tomorrow

Looks great everyday.

Get a stylish aesthetic with a thoughtful sustainable design, and all the essential features you need for everyday computing. A 15.6" screen with 3 sided narrow bezels for an immersive viewing experience and TUV software Low Blue Light solution for long hours of comfortable viewing, a multitude of processor and integrated graphics options that lets you choose a configuration that best fits your daily needs.

Daily to-do's, done.

The speed you need: A more responsive yet quieter performance, featuring the latest Intel and AMD processor options, with dual drive HDD combined with PCIe SSD options.

Just your type: Get an expansive keyboard with a numeric keypad, 6.4% larger keycaps, and a spacious touchpad that makes it easier to navigate your content. Upgrade to a backlit keyboard to continue working even in low-lit situations.

All day any day: Work in comfort thanks to a lift that raises your device to an ergonomic angle, which provided a more comfortable typing angle.

Easy on the eyes: Dell ComfortView Low Blue Light Software Solution helps reduce harmful blue light emissions and optimize eye comfort over extended viewing times over standard digital panels while retaining true to life colors.

More to see: Get more screen in a 15.6" laptop with three side narrow borders for an immersive FHD viewing experience.

.....

A modern, thoughtful design

Natural colors: Styled in carbon black or platinum silver for a classic look and a nature-inspired modern color option of mist blue with speckle accents.

Connect with confidence: A built-in HD webcam that makes you look great.

Everyday Considerations: Designed to last through regular use, with tiny rubber feet and bumpers on the hinge that keep it from skidding and provide additional stability when on hard surfaces.

Design with purposeful features.

A second life: Incorporating the use of post-consumer recycled plastics, these laptops take a step towards being environmentally friendly and sustainable, helping to keep plastics out of landfills.

Paint a picture: All painted parts use low VOC (Volatile Organic Compounds) waterborne paint*, creating a healthier work environment, as part of our commitment to sustainability.

Packaging for the planet: The packaging tray for your Inspiron 15 3000 is made from 100% recycled paper, while other packaging components** are comprised of upto 90% recycled materials.

*VOC content for water-borne paint ≤ 420. Applies to all new product launches starting April 2021.

**Applies to all new product launches starting April 2021. **Excluding plastic bags, films or wraps, keyboard pad, handle, attached labels, and materials used to construct or close package.

Easy-to-use technology

Waiting for you: Your always-ready experience starts as soon as you open your device. Turn on, boot-up, and log-in quickly. A lid open sensor gets the laptop started when opened, even if completely off or hibernating, plus an optional fingerprint reader with Windows Hello will get you logged in and ready to go in no time.

Ready, set charge: Comes with ExpressCharge™ capabilities that minimize the time you spend tethered to an outlet, and will recharge your battery upto 80% in 60 minutes*.

Inspiron 15 3000

Feature Overview

It's your world, stay connected to it.

Unite your devices with Dell Mobile Connect*

- **Stay Focused & Connected:** Stay focused on tasks by interacting with your phone direct from your Dell PC— you can easily make calls, send texts, and get notifications.
- **Transfer Files Seamlessly:** Transfer files, photos, videos, music, and documents between your PC and phone without complicated cloud storage or cumbersome cables.
*iOS file transfer only for photos and videos
- **Mirror Device to PC:** Project your Android or iOS device screen onto your PC and interact with apps there.
- **Maintain your privacy:** Your phone connects to your PC via Dell Mobile Connect's point-to-point, secure connection so your data is never exposed via unsecure internet connections.

*Dell Mobile Connect is available on all new Bluetooth-enabled, Inspiron, Vostro, G-Series, Alienware and Consumer XPS devices with Windows 10. Dell Mobile Connect's smartphone Companion App must be downloaded from the App Store for your smartphone, and requires Android 6 (or above) or iOS 11 (or above). For iOS, file transfer capabilities are limited to photos and videos

Optional accessories

You can maximize the versatility and performance of your Inspiron 15 3000 with Dell recommended accessories to keep you entertained and connected in any room.

Dell 24 Monitor - S2421HS

23.8" FHD monitor beautifully designed to sit easily into any space ready for your everyday lifestyle. Flexibility for all-day comfort with height adjustable stand, tilt, swivel & pivot features.

Dell Mobile Adapter Speakerphone -MH3021P

World's first multiport adapter with integrated speakerphone offers an all-in-one connectivity and conferencing solution.*

*Based on Dell analysis, March 2020.

Dell Multimedia Keyboard – KB216

Compact, full size wired keyboard come with quiet keys with multimedia shortcuts and is spill resistant.

Dell Optical Mouse – MS116

Features optical LED tracking and wired connectivity providing a stellar performance day after day.

Dell Essential Backpack 15 – ES1520P

A bright, reflective graphic on the front panel of the Dell Essential Backpack 15 helps increase visibility during low light commute hours and provides quality protection for your laptop.

NOTES:

Hard Drives: GB means 1 billion bytes and TB equals 1 trillion bytes; actual capacity varies with preloaded material and operating environment and will be less.

Graphics & System Memory: GB means 1 billion bytes and TB equals 1 trillion bytes; significant system memory may be used to support graphics, depending on system memory size and other factors.

Watt Hour (Whr) - The stated Watt Hour (Whr) is not an indication of battery life.

Laptop Weight: Weights vary depending on configuration and manufacturing variability.
